

VETERAN APPLICATION

The Permian Basin Honor Flight recognizes American Veterans for their sacrifices and achievements by flying them to Washington, DC to see the memorials built in their honor. Top priority is given to WWII and those who may be terminally ill who served in other wars. This Honor Flight will also include (given availability) Korean and Vietnam Veterans and selected Gold Star Families. In order for Permian Basin Honor Flight to achieve this goal, volunteer Guardians will be required to pay their portion of the trip, as well as travel at the Veteran's side throughout the flight providing assistance, and helping Veterans participate in all activities of this rewarding experience. All Veterans, however, will have their complete cost covered by donation from this great community, even if they serve as a Guardian for a senior Veteran. However, Veterans who are over the age of 75, Veterans who need walking assistance of any kind, and Veterans in a wheelchair must have a "participating" (paid or Veteran who meets requirements) Guardian to be eligible.
